

# the reach

**UPDATE: March 16, 2020**

**The Reach's concern for the health and well-being of our community remains our top priority. Consequently, we have decided to close to the public until Tuesday April 7 in order to pro-actively reduce the spread of the COVID-19 virus.**

**All classes, workshops, camps, and events are cancelled for this time period. We apologize for any inconvenience.**

We continue to monitor the public health risk associated with COVID-19 closely and will provide updates about our operations as the situation progresses.

The Reach staff will continue to work through this closure, but are limiting face-to-face meetings. We are available by phone, email, and video conference. Please do not hesitate to contact us with any questions or concerns.

Research requests submitted remotely for materials and information from our archives will still be processed at this time.

Please follow our social media feeds and check our website regularly for updates.

Thank you for your support and stay safe.
